To the EBCFPRS Exam Candidates 2021

**March 23, 2021**

Dear Colleagues,

Please allow me to follow up on the most recent newsletter concerning your exam 2021. As Board Members, we have all sat the exam ourselves, have completed the certification process, and we strongly empathize with your situation.

As you know, the London exam is embedded into an international system and is closely connected with the administration of the ABFPRS and IBCFPRS exams in Washington. This has limited the available dates to re-schedule the exam. As we have not been able to make a later date feasible, the exam has been firmly scheduled for **August 21st and 22nd, 2021 in London.**

The deadline for payment of your registration fee has been set for April 15<sup>th</sup>, 2021. We are optimistic that the exam can be held at that time. Please recognize that we expect regulations will require proof of complete Covid 19 vaccination from all candidates. In the event the exam has to be re-scheduled again, or if you are unable to travel due to pandemic – related restrictions, EBCFPRS will honour your registration fee and allow you to sit the exam at the next possible date. Please understand that possible loss of travel – related expenses remain your responsibility. EBCFPRS recommends that you obtain travel insurance, if available.

Some candidates have retrieved inaccurate information regarding the exam from alternate sources. Please be advised that all relevant information is listed on EBCFPRS.org and the EBCFPRS Facebook page. Please do not hesitate to contact myself or any of your Board Members (CC), if we can help you with more information.

Yours very sincerely,

Holger G. Gassner

President
